

Eric LeGrand Limited Release Single Barrel Kentucky Straight Bourbon Whiskey

Score: 92

“I’m shaking things up with this tasting. Since I’ve got boxes piling up, I figured it’s the perfect time to bring back one of my classics—What’s in the Box?

Today I’m reviewing the Eric LeGrand Whiskey-Single Barrel.

If you don’t know Eric’s Story, it’s one you absolutely need to hear. He’s an inspiration, a symbol of hope, and I’m a big fan of what he stands for.

As I mentioned in my King of Kentucky review, remember- single barrel reviews aren’t a full reflection of the entire brand, since they only represent a handful of bottles. That said, this one right here? Absolutely delicious!”
